CUSTOMWORKS DOES GREAT WORK

08 8984 3898

A big thank you to Dale Smith from Customworks who has helped make a few new additions around the track. He's fixed up our ice bins in the bar as well as making new covers for our timing system in the tower and on the startline to help protect critical cabling. He's even made a flash new cover for the Christmas Tree to help reduce the effort in setup/packup for each event. Love your work mate!
