

# HIDDEN VALLEY DRAG STRIP

HVDRA have much pleasure in announcing our confirmed racing calendar for 2016.

So at this time HVDRA would like to extend a massive thank you to Major Events and Sport and Rec for allowing HVDRA to run within the June (Lock Out) period which has never been previously authorised.

HVDRA are also very grateful to TERRA and Speedway for altering their calendar's to accommodate HVDRA's requests, it just goes to show how great it is in the Territory when clubs can work together to achieve results.

As we are all aware the track upgrades carried out late last year didn't comply with the design tolerances and subsequently became a major safety issue. Track repairs are moving along nicely, HVDRA are looking forward to seeing everybody track side soon.
